

July 31, 2018

PBGS Members and Friends,

It's time to make your plans for the most anticipated event that the PBGS holds every year, the Doodlebug Open Golf Tournament. This year's tournament will be on Monday, September 24, 2018 at the Green Tree Country Club in Midland. We have worked diligently to place this year's tournament on the calendar to avoid as many industry conflicts as possible. With the SEG scheduled for October, the WTGS Symposium beginning on September 25th and the tremendous growth being seen in the Permian Basin, this year's tournament has the potential to draw record numbers of industry colleagues and friends.

Attached in this packet you will find the Sponsorship and Team Registration forms. The Doodlebug Open is the largest scholarship fundraiser of the PBGS. A portion of the tournament's proceeds go to support the scholarships that the PBGS provides for students who are pursuing degrees in the field of geoscience. The yearly success of the Doodlebug Open is possible because of the incredible amount of support we receive in the form of sponsorships and player participation. In addition to great networking opportunities, the Doodlebug Open has a reputation in providing the best door prizes in the industry! Start gathering your teammates, solicit sponsorship donations from your companies, and get your forms turned in soon as this tournament will fill up fast.

Morning and afternoon tee times are available and payments can be processed by check (made out to the PBGS) or by credit card through the use of PayPal. Instructions for this can be found on the attached forms.

If you have any questions at all, please do not hesitate to contact me. I look forward to seeing you all on Monday, September 24th! Let's make this a record year for the PBGS and the Doodlebug Open!

All the Best,

Jason Stockstill
